We need fees for the 15 additional independent claims. The cost per independent claim is \$110 (\$52 for small entity).

Additionally, if you could provide a clean copy of the claims as a word document, that would make the examiner's amendment less burdensome.

I propose cancelling claims 70,71 and 75.

We can allow claim 47 if you choose to add the limitations from one of claims 48-55.

We can allow claim 56 if you choose to add the limitations from one of claims 58-69.

Just let me know a) if you want to make such amendments to claims 47 and/or 56. b) which claim limitations would you like me to add via examiner's amendment.
